

# THOSE PECULIAR JOHNSONS

1 Peter 2:9 “...You are God’s peculiar people...”  
No one knows whose womb holds the chief! —African Proverb

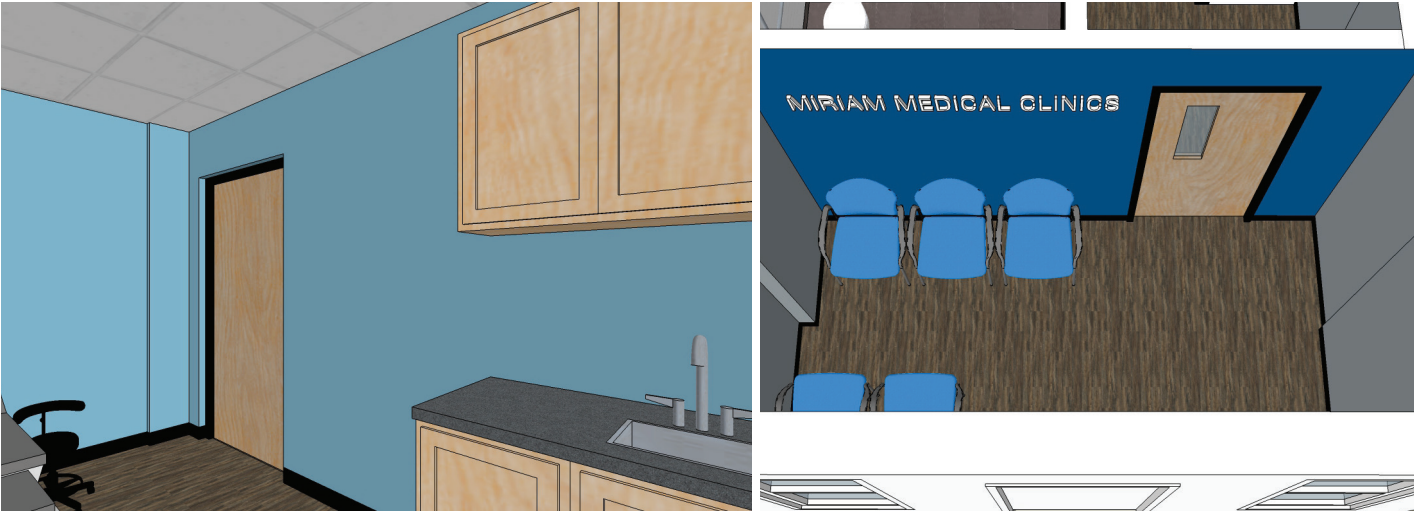

## OUR NEIGHBORHOODS

Thank you for your generous gift! Because of you, we are much closer to completion of the renovations and making our neighborhoods healthier. With the launch of the **50 at 18** capital fund project, Miriam Medical Clinics (MMC) is moving ahead. **That project seeks 50 individuals, churches or groups willing to giving \$1,800** each to complete the renovations. Here are some of the architectural drawings from which we are working. This new site will expand the outreach and enhance the services we provide.

If you missed the chance to be part of the **50 at 18** capital fund, the opportunity still awaits. You can do one of the following as a group, church, or individual:

- 1. Send your gift directly to World Gospel Mission at PO Box 948, Marion, IN 46952-0948. Designate your gift for use by Miriam Medical Clinics.
- 2. Give by credit card or electronic funds transfer at [www.wgm.org/miriam](http://www.wgm.org/miriam).
- 3. Use the attached coupon at the end of this letter to specify the frequency of your gift and send it to World Gospel Mission.

MMC already works with Philadelphia University of the Sciences and has begun discussions with Temple University Medical School, which will expand our influence with students and staff of these institutions. We are also in negotiation with the Philadelphia College of Osteopathic Medicine (PCOM). These agreements allow us to work with other health-care institutions as we provide health care within the neighborhood.

Take a look at our revamped website (<https://www.miriammedical.org/>) to learn more about who we are and what we do.

Our neighborhood is cleaner. We lead by example and help keep our streets free from litter. It was a joy to have members of the community around Tasker Street join us in a block cleanup. It gave us opportunities to engage them with the message of salvation.

Murder and suicide by firearms continue to plague our community. Drive-by shootings and intentional targeting of our residents continue unabated; most recently, a standoff between police and a man with a rifle kept a neighborhood of the city in lock-down for over eight hours. Our neighborhood is safer, though, as a result of a recent “Gun Buyback” program, where 22 firearms were turned in, “no questions asked.” We worked with Tasker Street Missionary Baptist Church and the Philadelphia police to develop this program in order to get guns off the streets of our city. The police were delighted as they have 22 fewer lethal weapons that could be used against them and the citizens they have pledged to protect.

Our neighborhood is also involved in the lives of men and women who were or are incarcerated. Through the Out of Nazareth ministry, we help provide transport to the prison for family members, financial and material support for the incarcerated, and, of course, the love of Jesus, which makes it all worthwhile.

Please join us in making our neighborhood healthier, cleaner, safer, and more involved. All gifts should be sent to World Gospel Mission and designated for use by Michael and Kay Johnson. Right now, the most pressing need is the ministry of Miriam Medical Clinics.
